Project title: FOODQA - FOSTERING ACADEMIA-INDUSTRY COLLABORATION IN  
FOOD SAFETY AND QUALITY

To:

- 1) Mr. Franco Burgio EACEA Officer
- 2) Prof. Fahmi Abu Al-Rub

[Jordan Co for Antibody Production MONOJO} as a partner company in the FOODQA CBHE Erasmus plus project [574010-EPP-1-2016-1-JO-EPPKA2-CBHE-JP] has established the Food Safety Lab at the Faculty of Agriculture in October 2017. The lab has been partially equipped with the needed equipment provided by the FOODQA project.

The FOODQA Food Safety Lab will play a pivotal role in the implementation and sustainability of the FOODQA Project and will promote the dissemination of the project in the university and the neighboring community. The Lab has started its activities by implementing many workshops to the students and staff at the university.

The official opening ceremony of the Food Safety Lab at the university will be launched after the lab is completely equipped with all needed equipment.
