All EU partners attended the meeting using Skype Conference.

The meeting was devoted to discuss the process of qualifying the food companies in Jordan for applying for food safety management systems.

- It was agreed that each JO HEI contact two food companies and ask them to submit a letter of intention. These food companies should be members of the AIC and should show their needs for the food safety system that will be qualified for. The deadline for these letters is June 20, 2018.
- Each JO partner should collaborate with the EU group leader regarding the action plan for each company
